Mr. Farish gave notice of the introduction of a bill, and the House adjourned.

The committee of arrangement had ONYX BLOCKS. Large Specimens Brought in from Cave Eden.

Creek Yesterday. All day yesterday a large crowd was congregated about a wagon in front of and Talbot, the floor lacked for nothing. George Barnard's saloon on Washington It had been promised that the gentlestreet, inspecting some wonderful speci- men would receive a surprise and they mens of onyx, from the onyx mine of were most agreeably surprised. Barnard, Woodson and Holmes, on Cave A delightful luncheon of sandwiches

It has been a question as to whether onyx could be quarried in large blocks, but the specimens brought in yesterday show that it can. One of the blocks was 5½ feet long, 12 inches wide and 14 numbers.
inches deep, and the other about half as Mrs. M large. It was of a beautiful green shade, with streaks of red, brown, and other colors. This onyx was quarried by C. H. Gray, W. I. Gray and J. B. Braswell, the first named intending to use it in finishing his new residence south of

"We had a great time getting it out," said Uncle Lum Gray. "We carried those blocks over mountains and down canons for about five miles to get to a wagon road, and in some places you would almost declare a man could not climb. But I went after onyx and was bound to have it. The wheels were taken off the wagon, and a pole axle put in, then a long pole attached, under which the blocks were swung, and in that way it was hauled out. Three men, with teams, could in three weeks time build a good wagon road to the mine from the present road. The outcroppings would indicate that there is a perfect mountain of the onyx, that will be almost inex-

ADRIFT ON A FLOE.

An Ice Field Floats Off With a Number of Fishermen.

BAY CITY, Mich., February 4 .- Much Council Bill No. 10, providing for the excitement prevails here concerning a Mrs. Miner, Miss Perley, Lincoln Fowler reimbursement of stockmen for diseased report that many fishermen had drifted and sister, Miss Lillie Cox, Mr. and Mrs. into Lake Huron on an ice field carried C out of Saginaw Bay today, in a village E. about fifteen miles northeast of this city and five unles from land. It is estimated that 250 men were engaged in spearing fish and the first report was

to the effect that all were lost.

Toward evening several of the men returned and reported that most of their comrades reached the shore in safety. The best authorities place the number

of castaways at from twenty to thirty. SAM JONES IN A FIGHT.
